

FAQ WAITLIST PERIOD

lpt realty is the fastest growing brokerage in history. The response to our launch has exceeded all expectations. We have instituted a Waitlist Period until further notice so that we may concentrate on our existing agents (Founders) and ensure each agent experiences a smooth transition into lptR. While growth and recruiting are important, we remain committed to our principal of Real Estate First. The Waitlist Period allows us to best assist our agents in the business of buying and selling real estate.

1. Will lptR send Independent Contractor Agreements (“ICA”) during the Waitlist Period?

A. NO. lptR ICAs will not be sent or accepted after 11:59PM EST on 8/9/2022 (“Deadline”).

2. Will lptR onboard agents who executed the ICA prior to the Deadline?

A. YES. All agents who signed prior to the Deadline will be onboarded as lptR Founders.

3. What if an agent wants to join lptR during this waitlist period?

A. Agents can express interest by executing our Waitlist Letter of Intent (“WLOI”). Once we resume accepting ICAs (Independent Contractor Agreements), we will begin with those on the waiting list. Direct prospects to: [your recruiting domain.com/waitlist] OR [yoursubdomain].lpt.com/waitlist

** Agents may only enter their own information. You are not permitted to enter the information on behalf of another agent.

4. Will there continue to be corporate sponsored Rallies?

A. NO. All corporate rallies have been paused. This does not prevent you from continuing to discuss the opportunity and add agents to the waitlist

5. Can agents in other states join the waitlist?

A. YES. When they submit the waitlist, they will be added to the waitlist for that state. We are currently licensed in Florida, and the licensing process for 12 states and Puerto Rico are at different stages of completion. Check your lptConnect for updates.

6. When will the updated Early Adopter benefits sheet be available?

A. We will be releasing our updated benefits in written form on Monday, August 15, 2022. Visit lptConnect for updates

7. When will the Launch Recap Video recording be available?

A. The Launch Recap Video is being edited for sharing. Link to the video will be posted on social media and in lptConnect when available.
